

Dear Parents,

Welcome to Grade 3! I am excited to have your child in my class for the 2026/2027 school year. Your child has many learning opportunities coming next school year that they will be an important part of. Some of our fun meaningful learning includes pen-pal writing with some of our Methuen Senior citizens, Multicultural Night which celebrates each other's diversity, honoring our Veterans by sharing with them our deepest gratitude, Science Fair, and Social Studies fair.

Over the summer, your child will have a book report on the common read and a timeline on the biography to complete. The common read will be The Boxcar Children by Gertrude Chandler Warner and the other is a biography of your child's choice from the "Who Was" series.

Attached, please see the Math worksheets assigned to your child to work on over the summer. Also, I recommend that your child continue to memorize multiplication facts.

All work is to be completed and passed in on the first day of school. Making sure they have allotted time each week set aside to work on their tasks will ensure they make the required deadline.

Please email me at llaw@methuencatholic.org if you have any questions regarding any of the assignments.

Have a fabulous summer!

Mrs. Law

Timeline of _____'s life

The diagram is a timeline for a person's life. At the top, the title "Timeline of _____'s life" is centered. Below the title is a horizontal timeline with arrows at both ends. Above the timeline are four large rounded rectangles, each containing five horizontal lines for writing. Below the timeline are three large rounded rectangles, each containing five horizontal lines for writing. Small rectangular boxes are placed between the top and bottom rows of rectangles. Arrows point from the top boxes down to the timeline, and arrows point from the bottom boxes up to the timeline.

Timeline of _____'s life

Four large rounded rectangles (top row) for writing events, each with five horizontal lines.

Three large rounded rectangles (bottom row) for writing events, each with five horizontal lines.

Small rectangular boxes (top row) for writing names or dates, with arrows pointing down to the timeline.

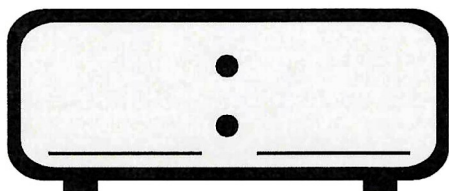

Small rectangular boxes (bottom row) for writing names or dates, with arrows pointing up to the timeline.
